## Certificate in Bird Care

# Let your interest in bird care take off

Whether you are a bird enthusiast or exploring career options in the bird industry, this online course will equip you with the knowledge and skillsets necessary to be an effective bird keeper. In this experience-based course, learn about the numerous bird species, their characteristics, challenges, and how to protect and train them. If you're seeking employment related to bird care, protection and maintenance, this course will help you accomplish tasks and projects that will provide in-depth insights and understanding of the bird industry.

### Did you know?

There are about 800 bird species in Australia, among which Emus, parrots and cassowaries are the oldest endemic Australian birds.

# About Us

Courses4me is the leader in online education with decades of experience in both public and private education. Our founders have a combined 30 years of expertise in education and training and have joined forces to deliver high-quality, low-cost education to anyone wishing to advance their career.

**Accredited by**  **ICOES**  
International Accreditation

We are proud to announce that all our courses at Courses4Me are accredited by the International Council for Online Educational Standards (ICOES), a respected global organisation dedicated to ensuring the quality of online education. This prestigious accreditation signifies that Courses4Me has met the rigorous standards set by ICOES, solidifying our reputation for delivering excellence in online education worldwide. We are committed to providing high-quality courses and look forward to welcoming students from around the globe to our accredited programs.

**Endorsement from**  **IARC** | *Quality for Excellence in Education*

All online courses offered by Courses4me are fully endorsed by the International Approval and Registration Centre (IARC), a quality control system for education programs and courses in international education. Based in Queensland, Australia, the IARC's Committee Board of accomplished education professionals work to endorse quality education courses in the international market. The IARC endorsement ensures that Courses4me maintains a high level of respect in academic circles within a range of disciplines in Australia and beyond.
