

CRIMINAL PSYCHOLOGY

Certificate in Criminal Psychology

Learn inside secrets and succeed as a specialist in criminal psychology

Always wanted a fascinating career in the intriguing and rewarding field of Criminal Psychology? Enquire today and obtain valuable training with this all-inclusive online course.

The Certificate in Criminal Psychology is developed in conjunction with senior members of the profession and provides you with inside secrets to hit the ground running in months, not years. Start anytime, at your own pace and get guided through useful sections like how mental disorders link to crime or the application of psychology in police work.

Did you know?

Criminal psychologists' role in the legal system is important. The psychologists' duties usually fall into one of four categories: clinical, experimental, actuarial and advisory.

ABOUT US

Courses4me is a new age online education company, with decades of experience in both the public and private education space. Our founders have a combined 27 years' experience in education and training and have come together to provide quality and affordable education for everyone that is looking to upskill.

Our network of partners and education providers now spreads across Australia, New Zealand and the UK. We offer hundreds of courses in a vast array of industries. From an introductory certificate to advanced courses and bespoke programs, students will receive the recognition, skills and industry insights to hit the ground running with confidence.

Endorsement

Courses4me has established a high level of respect in academic circles within a range of disciplines in Australia and beyond.
